

Stubbing Wheels

Buy our products online at www.asahi-diamond.com.au

Asahi supplies a standard range of Diamond tooling for use with CNC machines for grinding and profiling materials such as sandstone, granite and marble.

We also have facilities to purpose design and manufacture tooling to suit any specific needs.

Diameter (mm)	Segments	Material	Hole	Stock Code
88	20	Granite	3 + 3	2594-1C
88	20	Sandstone	3 + 3	2594-1S
