

## Vacuum Brazed Core Drills – M14 Shank

Buy our products online at [www.asahi-diamond.com.au](http://www.asahi-diamond.com.au)

Brazed Diamond Core Drills are designed to cut marble, glass, ceramic tile and other soft stones. They are also capable of cutting porcelain.

Brazed Core Drills can be used both wet and dry.

We recommend using wet to achieve optimum results and for a longer tool life.

	Diameter		Stock Code
